## INDUSTRY SHOW RECAP

## Showcasing new products and developing closer customer relationships

**Recap:** LocklyPRO was on the show floor for this year's ALOA's No Limits Security Expo July 29-30th, Las Vegas. The team connected with locksmiths and security professionals and received rave reviews for our Lockly Guard line of secure access solutions including Defender, Athena, Duo, and the Ingress series. We even had some fervent Lockly fans come to the booth and talk to show attendees about the benefits of LocklyPRO platform and hardware.

We truly appreciate the support and love for our products. Big thanks to everyone who dropped by our booth. It was great meeting all of you at #ALOA2022.
